1935 Chevrolets Master and Standard Announced

BEAUTY, STYLE AND PERFORMANCE EMPHASIZED

New 1935 Master and Standard models have just been announced by Chevrolet. The Master models depart distinctly from previous Chevrolets in body design and the solid-steel Turret-Top body by Fisher is one of the striking improvements. Above is shown, the Chevrolet Master 2-passenger coupe. Centre panels show, on the right, the beautifully streamlined rear quarter of the new bodies; and on the left, a view of the solid-steel Turret-Top roof. Below is shown, Chevrolet Standard Coach, which achieves virtually the same performance as the Master. There are six models in the Standard line and ten in the Master line.
