### THE MINERAL INDUSTRY OF BRITISH COLUMBIA

The value of mine production for the year 1935 is estimated at \$47,810,612.00; being a substantial increase over that for the year 1934. Gold and Silver account for nearly 84% of the increased value of the mining industry.

NOTE:-

# Re: "MINES DEVELOPMENT ACT"

Attention is directed to the fact that applications for assistance in construction or reconstruction of trails to mining properties, pursuant to the above Act, must be made on printed forms provided for the purpose. These forms may be obtained from the Department of Mines, Victoria, B.C., or from a Resident Mining Engineer, or Mining Recorder, and must be in the hands of the Resident Engineer for the Mineral Survey District in which the property is situated, on or before the 1st of May.
