IMPOR'S ISSUES TO OCCUPY PARLIAMENT

Dominion House Opening January 27 Will Face Varied Program of Important Legislation—Developments of Wide Political Significance

OTTAWA, January 19: (CP)—Developments of wide political significance which featured the parliamentary ecess are expected to be threshed out on the floors of the near wuhu. House of Commons and Senate after parliament opens January 27. These may include the federal government's Powell River

ting heard in the Supreme Court of Canada, new trade policies, the feud between Prime Minister Mackenzie CHAUTEMPS ing and his erstwhile supporter, remier Hepburn of Ontario, unemoyment insurance and the deense program

The third session of the 18th parament since Confederation will ben under the shadow of heavy sses through death which struck mpartially at both the Commons nd Senate, and at both Liberals nd Conservatives. Since the last opening five members in each chamber have died and a sixth Senate vacancy dates from 1936.

While the prime minister and a large section of his cabinet travellin Europe, Ottawa enjoyed a ng period of quiet after the closof the last session of parliaent. The ministers attended the oronation of King George VI and Mackenzie King also visited ermany, Belgium and France. The fall brought considerable ac-

n, however, with the federal govment disallowing three acts of Social Credit administration of Alberta and later developments LINKING which resulted in references being nade to the supreme court quesoning the disallowance power and he constitutionality of three bills; which Alberta sought to deal th banks and newspapers in that!
