Man in the Moon

Keep the door shut. It's chilly!

The tang of fall is in the air
Once more our heavy clothes we wear.
The children long for skates and snow
And Hallowe'en intrigues them so.

It seems curious that, in spite of the bad weather, weddings continue about as usual.

"Marriage is a serious business," remarked the groom. "When we are married you will have to cook the meals."

"Yes, it is serious," replied the bride. "You will find it just as difficult as I do. You will have to eat the meals I cook."

I once was at a wedding where the groom wanted to turn back on the wedding day but that was a long time ago.

"In heaven people may have to pull strings to get one of the jobs."

"What job?"

"That of harpist."

Discussing leaving his job, Pat said his employers did not seem a bit surprised. "He knew it before I did," he replied, when questioned.

There is a "Federal Building" and a "Federal Block" in the city and the "building" is bigger than the "block."

Wonder if we could get a minister of the crown to open the new Federal Building. We might then tell him about a few of the other things we want in this city. We might even take him out Wantage Road.

"Consider the ant, thou sluggard" might be readapted in Prince Rupert to "Take a look at those spider webs. There's industry for you."

"Mary, what's the reason for those cobwebs on the ceiling?"

"I don't know. There must be spiders in the house."

Queen Of Port Is Honored At Sons Of Norway Social

Following a lodge meeting Saturday, the Sons of Norway Lodge held an enjoyable social gathering with about one hundred persons in attendance.

O. B. Sather, president, was in the chair at the meeting and two new members—Joren Skog and Olaf Sendiksen—joined the lodge.

Refreshments were served and a program which followed included the singing of "O Canada"; a talk on the discovery of America by Lief Erikson by Oscar Sather; vocal solos by Mrs. John Murvold, accompanied by Peter Lien; piano solos by Peter Lien and the singing of Norwegian songs.

A pleasant feature of the evening's proceedings was the presentation to Miss Ida Slatta, Queen of the Port, of a beautiful black diamond set.

Music for dancing was provided by Mrs. J. S. Black's Orchestra.

The hall was attractively decorated for the occasion.

The committee in charge consisted of Mrs. Larry Arnold, Mrs. George Anderson, Miss Lillian Ytreberg and R. Hundeide. George Anderson presided at the door.

FOOTBALL SATURDAY

Beta and Gamma Houses Divided Honors in High School Play

Honors were again divided in the Booth Memorial High School football games on Saturday when teams representing the Beta House met teams from the Gamma House. In the junior game the Betas defeated the Gammas by a score of three to nil while, in the senior game, Gamma House was the victor by a score of five to one.

The junior game started with Beta House pressing and Simundson scoring in the first five minutes. Crerar cleared strongly and play for a time centred around the Beta goal. Gurvich placed well and gave McRae a good chance but he shot across the goal to go behind. McAfee, playing nice football for a beginner, brought the ball near his opponent's goal and centred cleverly to Mah but the Beta backs, Bird and Perkins, were safe and cleared strongly. Simunson caught McLeod's centre and was almost through but Grimmson stopped him near the goal. Half time score: Beta, 1; Gamma, 0.

Gamma took the offensive at the beginning of the second half and Mah tested the Beta goalie but O'Neill was safe. A fine run by Jarvis McLeod, ending with a well-placed centre, was stopped by Bird whose strong drives were a great advantage to his team. Hingston stopped Simundson who was always dangerous. Pierce got possession and centred to Simundson who scored his second goal. McKeown placed well and Pierce turning a shot in from the goal line, almost scored. Before full time, Simundson scored a third goal, leaving his house the winner of a well fought game by three goals to nil.

Teams:

Gamma House—Postolu; Crerar, Grimmson; McLachlan, Hingston, McAfee; Astoria, Clark, Mah, Landry, Wong.

Beta House— O'Neill; Perkins, Bird; Gurvich, McRae; McKeown; McLeod, Pierce, Simundson, Holkestad, Roy.

Senior Game

The senior game was well contested, both teams turning in a fine game of football. Dick Cameron starred for the Gammas, scoring all five goals. Bill, receiving a nice pass from Haugan, scored the only tally for Beta.

J. G. McKinley refereed the junior game and W. W. C. O'Neill the senior game.

Linesmen were N. Pavlikis and G. Zbura.

WAKE UP YOUR LIVER BILE—

And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Harmful poisons go into the body, and you feel sour, sunk and the world looks punk.

A mere bowel movement doesn't always get at the cause. You need something that works on the liver as well. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless and gentle, they make the bile flow freely. They do the work of calomel but have no calomel or mercury in them. Ask for Carter's Little Liver Pills by name! Stubbornly refuse anything else. 25c.
