No Man in Canada More Able, Honest or Service-imbued -Lower Gasoline Price in Near Future Promised-Alaska Highway Approved

KELOWNA, August 26: (CP)—Premier T. D. Pattullo, addressing the convention of the British Columbia Liberal Association here yesterday, said that British Columbia motorists could "anticipate a considerable reduction" in gasoline price in the near future as a result of the appointment of Dr. W. A. Carrothers as fuel commis-

formation Published in Mac-Lean's Magazine

OTTAWA, Aug. 26: (CP) - A statement issued last night under the authority of Hon. Ian Mackenzie, minister of national defence, twice daily passenger-air mail fatt, Bradwell, Sask., saw the new took issue with an article in the

land once more in operation fol- made at the same time as a British province. The Premier said that ing \$1,300,000.

The government statement is ince. that the contract was for \$6,500,ley before proceeding East. Fruit 000 and not for \$8,000,000 as the lic utilities bill would be introduced article said and that the maximum \$267,000 and not \$457,000 as Col Drew wrote.

At Kelowna, British Columbia Capt. Mackenzie stated it was an announcement that the Legislature attack not only on the Canadian would be asked to privide funds for government but also on the British the drilling for oil in the Peace and was to be regretted at a time River district where he was confiwhen the British government was dent it, would be found. The govnegotiating for manufacture of air- ernment- not private concernscraft in Canada.

National League Boston 6, Cincinnati 1. Philadelphia 6, Pittsburg 4. Brooklyn 3, Chicago 7. New York 4, St. Louis 5 (end of sixth inning).

American League Cleveland 9-8, New York 15-5 (homers by Gehrig and Dimaggio in first game).

St. Louis 6-6, Philadelphia 11-4. Detroit 9, Washington 3. ninth inning).

Mr. Pattullo said that his government did not intend to reduce the present standards of wages and hours in industry.

Alaska Highway Approved

Speaking of the projected Alaska Highway, the construction of which the convention favored by resolution adopted amid applause and cheers, Mr. Pattullo said that concurrence of the Dominion government would be necessary to any agreement whereby the States might lend money with which to build the highway. The United States would have no more control over the road than a purchaser of any British Columbia bond had in the government of the any other road projects in the prov-

Premier Pattullo said that a pubprofit for the Canadian share was ture and that, if passed, Dr. Carrothers would be appointed commissioner under the Act.

Mr. Pattullo repeated a previous would operate any resulting oil industry.

The Premier gave warning that the government would not tolerate further organization among themselves of single jobless and referred to the sitdown occupation of Vancouver buildings earlier in the year.

-Hon. Ian Mackenzie, federal minister of national defence, in a brief address at the opening session of the convention yesterday, told NEW YORK, Aug. 26:- Stocks Premier Pattullo that as far as he sistance from the Dominion govern-

The Minister of Defense received prolonged applause when he said he knew every provincial Premier that "no man in Canada evceeds Buying spread into all sections in ability, integrity and desire for service to the public British Colum-

"With Mr. Pattullo, British Columbia has a very able cabinet," Capt. Mackenzie asserted.

H. G. Perry, M.L.A. for Fort George, was elected chairman of the resolutions committee during yesterday's opening session which was largely occupied with prelimin-

The convention also passed a resolution commending extensions and improvements already made in road and bridge construction and urging a program to complete all main and primary highways and improve subsidiary roads, also continuing assistance in building of mining roads and trails.
