# PEACE PLAN

Russian Threat Fails To Deter Great Britain and France

MOSCOW, October 2: (CP)-The Russian official press echoed the Moscow accords yesterday with an implied warning to the western Allies to end the war or face joint German-Russian action.

Meanwhile both British and French governments were, apparently, cold shouldering the German-Soviet peace gestures by intensifying their preparations to meet any threat of German offensive-Russian co-operation.

strengthened herself today for hostilities on a vast scale, MEDIATION apparently intending to ignore any anti-Nazi peace offer at the expense of Poland. The first official reaction to indications of Chancellor Adolf Hitler launching a peace Au American Federation of Labor offensive came from Rt. Hon. Winston Churchill, First Lord of the Admiralty, who said in

ed with corruption, have loosed their hold on a docile and unhappy German people.

"We believe, Churchill continued, "that we are entitled in this fight not necessarily mean it would take to the respect and goodwill of the world, especially of the United States.

Reviewing the activities of war of the past month, the First Sea Lord referred to the aggression of Germany in Poland—a nation which had been overrun but would rise again. He alluded to Russia's "coldblooded policy of self-interest- with its intoferance and brutality. edness." The Allies would have liked to have had Russia on their Women Flyers In side but there was at least comfort that the Soviet had blocked the Vancouver Want to the Balkans and southeastern Europe. He also referred to the To Get Into War failure of the German u-boat
