

... all you want—whenever you want it — the ELECTRIC WAY

Electric hot water is NOT expensive! We can equip your present tank with insulation and an immersion type electric heater at small cost. A Thermostat for automatic control can be included at slight extra cost. Complete, automatic electric water heaters with Monel Tanks (the kind that never rust or wear out) are available in 24, 32 and 40 Imperial Gallon sizes. You will find the cost of operation surprisingly low for such a wonderful convenience. Let us prove this to you with figures from the many satisfied users throughout our territory.
