A special meeting of the Board of Trade has been called to discuss the sending of a deputation to Ottawa in connection with the proposed copper refirery which is to be established on the coast.

The council of the Board of Trade met yesterday afternoon to consider a letter from the mayor asking for the endorsation by the board of two money bylaws, one for the replanking of the city streets and the other for the construction of a plank roadway to Seal Cove.

On the third day since the openng of machine gun list at the Cold Storage plant, the sum of \$650 was subscribed. The remaining \$350 will probably be in shortly.
