**It's Richer And Goes Farther**

"Pacific Milk" goes farther; makes richer cakes and puddings. That's it. Takes less to get the same effect. As this user finds, persons seeking economy find, like prospectors. On long trips into the hills, for this good double reason, they take Pacific and repeat on Pacific year after year.

## "Your future's safe with me, Son"

Dad: Well, Son, I've just made sure you'll have a good education.

Son: What do you mean, Dad?

Dad: I've just fixed it up by pledging myself to buy War Savings Certificates.

Son: Why, I thought you bought those to beat Hitler.

Dad: Sure, Son, that's the main idea, but 7½ years from today I'll begin to cash in on my investment.

Son: You mean you'll get it all back?

Dad: Get it all back! Sure, I'll not only get it all back, but I'll get back five dollars for every four I've put in. And it's all going to be used to give you the right start in life.

Son: Gee, that's a great idea, Dad.

Dad: Yes, sir! Those War Savings Certificates I've bought are going to do two things—help finance this war, and educate you.

Son: I wish Jim Scott's dad would do the same thing for him.

Dad: Maybe he will—I'll see him today about it.

The help of every Canadian is needed for Victory. In these days of war the thoughtless selfish spender is a traitor to our war effort. A reduction in personal spending is now a vital necessity to relieve the pressure for goods, to enable more and more labour and materials to be diverted to winning the war. The all-out effort, which Canada must make, demands this self-denial of each of us.

## SPEND LESS—TO BUY MORE WAR SAVINGS CERTIFICATES

The Daily News is a member of the Canadian Daily Newspaper Association, of the Canadian Press and of the Audit Bureau of Circulations. It is the only paper north of Vancouver and West of Edmonton holding membership in these organizations.
