SMITHERS BONSPIEL

SMITHERS, Jan. 29—With the Hanson Cup Tournament drawing to a close the Smithers Curling Club held a meeting to plan further programs for the winter. At a very large meeting held in the club rooms on Sunday afternoon it was decided to start a tournament this Thursday for the inter-rink competition for the newly acquired cup presented by E. T. Kenney, M.L.A.

It was also decided to hold the bonspiel on February 6, 7 and 8 when it is hoped that one or more rinks from Prince Rupert and from Prince George will come to Smithers to take part in the competition for the Imperial Oil Cup, the Shield and the many prizes that will be presented at that time. This bonspiel is the main event of the season and is looked forward to by the local curlers and by Billy Little of Woodcock who never fails to bring a rink here for the contest but who has never been able to carry away the silverware yet although being in the finals on several occasions. The date has been set fairly early this winter in the hope that the weather will be ideal as in several years the weather has been too mild to provide good ice.

The rink skipped by Frank Newbery has finished its games in the Hanson cup tournament and has seven wins and four losses to its credit. It is possible that one or two other rinks will tie this score when all the games have been played but it is not likely that any will exceed it so it is possible that there will have to be a play-off between two or three rinks before the cup is won.

Aside from a mild spell which made the ice unfit for curling in the first part of the month the play has been carried on regularly but the extremely cold weather recently heaved the ice on one rink so that it required considerable guess-work as well as skill to put the stones on the desired spot.

Fight Fast-Spreading
GRIPPE-COLDS
THIS PROVEN WAY!

During the present epidemic don't let a cough, sneeze, ache or shiver go unchecked. At the very first sign take Buckley's Cinnamated Capsules and Buckley's Mixture. This double-treatment acts fast. Buckley's Mixture eases the cough almost instantly and helps correct over-acidity. Buckley's Cinnamated Capsules give you the benefit of not ONE but THREE pain-relieving, cold-dispelling ingredients. One ingredient brings quick relief from aches, pains and cold misery. Another stimulates and refreshes. The third induces a beneficial relaxation of the nerves. A fourth ingredient—Oil of Cinnamon—has long been a standby in Europe for fighting grippe and similar maladies. Be Prepared. Get these dependable Buckley remedies NOW. If this treatment does not bring prompt relief call your doctor.

'Op' completed --listening out

The boys on a bombing flight listen to the radio, too — but not to swing music. Their wireless gives them vital information to guide them to their target and home again. And their "sparks" is the Wireless Operator. An expert in radio signalling, he keeps in contact with their fellows and the home base. And when the need arises he mans a gun to fight off enemy planes.

The Wireless Operator is the ears and the voice of the air crew, playing his part, as do all the others, in dealing devastating blows to shatter the enemy. The air crew is a group of specialists, each trained to do his own job well, and all fused into a smoothly working team. They share alike in the great deeds they are performing today, and they will share also in the future that awaits them after Victory is ours.

The expanded Air Training Plan has room for more men who want to be with these fighting comrades of the skies. Right now applications are being accepted for air crew at R.C.A.F. Recruiting Centres throughout Canada.

If you are physically fit, mentally alert, over 17½ and not yet 33, you are eligible. If you are over 33, but have exceptional qualifications, you may still be considered. Lack of formal education is no longer a bar to enlistment.

WOMEN TOO —join "that men may fly." Canadian women fill vital jobs in the R.C.A.F. Women's Division, releasing men for air crew duties. Recruits are needed, age 18 to 40, physically fit, with at least High School entrance. Many useful and fascinating jobs await you. No experience needed. The Air Force will train you quickly to take your place with Canada's airwomen. Full information at any R.C.A.F. Recruiting Centre, or write address below for explanatory booklet.
