more Nickel. So Canada imports Brazilian coffee. Brazil, it is hoped, will import increasing quantities of manufactured goods containing Canadian Nickel. Each product will help to pay for the other.

Canada cannot keep on importing goods from other lands unless Canadian goods are exported.

Canadians in the Nickel mines, smelters and refineries, and other thousands who produce the lumber, power, steel, machinery and supplies used by the Canadian Nickel industry.

By constantly expanding the use of Nickel at home and abroad, the Canadian Nickel industry brings additional benefits to Canada and Canadians.
