MEMBERS OF MANY CITY COUNCILS HONOR MR. AND MRS. F. VICKERS

Retiring Civic Treasurer and His Wife Are Presented with Wristwatch and Handbag at Testimonial Dinner

Present and past mayor and aldermen of Prince Rupert paid honor to Mr. and Mrs. Frank Vickers at a testimonial dinner last evening in the Commodore Cafe when speakers referred to the couple, leaving shortly to make their home in England, as "two outstanding citizens of this community."

Mayor H. M. Daggett, on behalf of the gathering of 30, presented Mr. Vickers with a wristwatch in recognition of his faithful and efficient service to the city since 1919. Mr. Vickers is retiring as city treasurer.

Ald. Mrs. N. E. Arnold presented Mrs. Vickers with a fine leather handbag.

The couple will join their married daughter in England and intend to live in Sherwood Forest, Nottingham.

Pioneer Leaders Esteem Mr. Vickers

Most of the men who gathered to honor Mr. and Mrs. Vickers came to Prince Rupert 30 years ago and in civic affairs had come to know Mr. Vickers well for his conscientiousness and helpfulness.

P. H. Linzey, former alderman, remarked with a laugh that this was the first occasion in his knowledge that a tax collector had ever been feted and buffeted.

Presiding at the dinner, Mayor Daggett remarked on the esteem with which the couple were regarded and the fine reputation of Mr. Vickers. His Worship suggested they might decide to return here and if they did the people of Prince Rupert would be glad to welcome them back.

Mr. Vickers recalled the struggles of early councils and praised them for their accomplishments. He said he had never approved of criticism voiced by council about its predecessor as all councils had been made up of concientious men.

Mayors and councils since the city administrator had done well, the speaker said, assuring those present there should be no fear for the future stability of the elected representatives and their programs.

Mr. Vickers recalled that it was former alderman George Casey, who in 1919 had assisted him in obtaining employment at the city hall.

Mrs. Vickers in acknowledging remarks of the speakers and the gift of a handbag said their daughter, now in England, had been educated here and taught the daughters of a number of those present.

William Watts said Mr. Vickers had proved of inestimable value to the first council after the city administrator, serving as a link with the past. He said the 1943 council and the citizens generally owed Mr. Vickers a debt of gratitude.

Others who spoke were: Ald. Thomas Elliott, George Casey, C. H. Orme, M. M. Stephens, James Black and P. H. Linzey.

Those Present At Testimonial Dinner

Those present included: Mayor H. M. Daggett, Ald. W. H. Brett, Ald. George Hills, Ald. N. E. Arnold, Ald. Alex Sinclair, Ald. J. S. Black, Ald. Thomas Elliott, Ald. George W. Rudderham, Ex-Mayor William Watts, Ex-Mayor M. M. Stephens, Ex-Mayor C. H. Orme, Ex-Ald. R. A. McLeod, Ex-Ald. George Casey, Ex-Ald. Thomas McMeekin, Ex-Ald. S. E. Parker, Ex-Ald. John Currie, Ex-Ald. T. H. Collart, Ex-Ald. C. V. Evitt, Ex-Ald. Frank Dibb, Ex-Ald. P. H. Linzey, Ex-Ald. James Black, Ex-Ald. W. McCutcheon, Ex-Ald. Jack McKechnie, Ex-Ald. Alex MacKenzie, Ex-Ald. W. H. Wilson Murray, and Ex-Ald. Robert McKay.

Ald. T. Sorensen, Ex-Ald. Victor Basso-Bert, Ex-Ald. D. C. McRae, and Ex-Ald. Douglas Sutherland were unable to attend.

Mrs. J. Killas was among those returning this morning from the south.

HERE'S SOUND ADVICE FROM Reddy Kilowatt

Give your refrigerator the best of care to keep it in good working condition for the duration. Note the following helpful hints.

DEFROST frequently. Excess frost causes refrigerator to operate longer than necessary. Empty drip water immediately.

CLEAN interior with mild solution of baking soda and water. Wipe dry before you return control to normal.

OIL all moving parts every six months if refrigerator has open-type mechanism. Keep hinges and door latch well lubricated. Use light oil.

CLEAN condenser regularly with stiff brush or hand vacuum. Dust and dirt act as insulation and overwork mechanism.

DON'T pry out ice trays with sharp instrument; or open door longer or more often than necessary; or place hot foods or dishes in refrigerator.

STORE foods in proper compartments. Keep temperature between 40 and 50 degrees.
