Smith Stars For Legion.

Veterans Win Over General Motors by Score of Two to Nil

Canadian Legion blanked General Motors two goals to nil in the Manson Cup Senior League football fixture last night. Ralph Smith was responsible for the Legion's two goals and, as centre forward for the veterans, was easily the outstanding player on the field. He scored a goal in each half.

The Legion clearly demonstrated its superiority.

Pat Forman was referee and linesmen were Les Parkes and Jack Davidson.

Heavy Battery vs. General Motors will be the next fixture on Monday night.

Queen Charlottes Get First X-Ray Survey

By Jeannette Forrester

MORESBY ISLAND — "One of the most successful X-ray surveys in B.C.," stated Harold C. Huggins, field organizer and education director of TB Society, after completing Sandspit area, second on the Queen Charlotte program. Sponsored by the British Columbia Tuberculosis Society in co-operation with the Department of Health and Welfare, Division of Tuberculosis Control, this is the first X-ray service ever to be held on the Queen Charlotte Islands for the general public. The program was

Here On Angling Trip By Motor

Roy Gotham, logging operator from Colville, Washington, and Mrs. Gotham, both enthusiastic anglers, are fishing the prolific trout lakes close by Prince Rupert this week-end in the course of a northern piscatorial tour by motor. They arrived yesterday morning after fishing the Quesnel lakes with good success, including Mrs. Gotham's pair of ten-pound char.

They will proceed from here to Vancouver on the Coquitlam Tuesday afternoon, taking their car with them.

launched as a result of several cases of tuberculosis in persons in the Charlotte area. In the six years of mass X-raying in B.C. the Queen Charlotte Islands have never had this service.

Equipment used, provided by Christmas Seal funds at a cost of approximately \$20,000 is a portable "breakdown" type using 70 mm. roll film. A power generator accompanies the X-ray unit, and Samuel G. Smith, Division of TB Control, is technician in charge.

Due to remote chances of repeating the survey in the foreseeable future, laid to transportation difficulties, the officials in charge were gratified with the expressions of co-operation received in the two places completed. There were 228 chest X-rays taken at Cumshewa Inlet, 93 per cent effective, and 155 at Sandspit, out of potential 173, percentage being about 91.

Upon completing the survey at Sandspit, Mr. Huggins expressed his thanks to George Pife, Northern Pulp woods superintendent; Charlie Kinnis, IWA

president and Hazel Gargett for their kind help.

The former schedule has been changed to Masset, Juskatla, Port Clements and Charlotte City. Logging companies have offered to move the equipment from point to point at no cost, as their major contribution to the scheme.
