

KE ACTION—

## On Dental Survey Here Need Of Attention

The annual meeting of the Prince Rupert Teacher Council last evening in the Civic Centre for the new season were elected and there were discussions on the result of the dental survey recently made in grades one and four in the importance of safety habits. The latter reference to the need for safety among adults rather than children.

Following officers were:  
President—F. Wright,  
Teachers' Association.  
Vice-president—W. D. Griffiths  
Secretary-treasurer—Mrs. H. C. Flood  
Convener Safety and Traffic Committee—R. G. Moore  
Publicity—Mrs. Logan  
Literature and Library—Mrs. R. E. Mortimer

The report on the dental survey stated that there was a large number of grade one children who needed immediate dental care. A committee had been instructed to get in touch with the College of Dentists to see what arrangements could be made to have the matter attended to at an early date. The need for the extension of the sidewalk on Seventh Avenue eastward was stressed. This will be taken up by the safety and traffic committee.

A hearty vote of thanks was accorded the retiring members of the executive for their successful work during the past year. Mrs. A. J. Dominato presided. John Jenkins was secretary for the meeting. Reports from the elementary schools indicated that a start had been made in the year's activities. Two associations had supported the request of the Ministerial Association to protest the granting of a licence by the city council for the operation of pin-ball machines. The other association had not considered the matter.

MONTREAL'S PUNCH LINE — Montreal Canadiens' "Punch Line" of right wing Maurice (Rocket) Richard, centre Elmer Lach and left wing Norman Dussault, cut their skates into the ice at Montreal Forum. The Canadiens are undergoing pre-season training for the 1950-51 N.H.L. season opening only a few weeks away. (CP Photo)

## More Diesel Locomotives

MONTREAL—The Canadian National Railways has placed an order for eight diesel-electric road locomotives with the Montreal Locomotive Works at a cost of approximately \$1,500,000.

In announcing the new order here, E. A. Bromley, vice-president, purchases and stores, said that it brings the total cost of new equipment, including locomotives and other items of rolling stock ordered by the Canadian National during 1950 to \$13,700,000.

The eight new diesels, each of 1600 horsepower, will be delivered early next year. They will consist of four "A" units, which are lead units with engineer's control cab in the streamlined nose, and four "B" units, commonly known as boosters, which pair up behind the lead units. They can, however, be operated also in higher multiples of three and four to provide greater power for heavier loads. They are destined for mainline freight service with the railway.

## Make Farming Professional

BIRMINGHAM, England—Elevation of farming to the status of a chartered profession, was advocated at the annual meeting here of the British Association for Advancement of Science by Prof. H. D. Kay of Reading.

Addressing the agricultural section of the organization, Prof. Kay said that anyone interested in entering the field of farming should be required to possess a certificate of competence, except where it was on a small scale. Merely to have enough capital to buy a farm or become a tenant, should not be the deciding factor.

"There should be a nationally-accepted qualification after two years' training in agricultural science, followed by two years' practical experience," he said. A party seeking to rent a farm should have a recent history of successful farming good enough

to satisfy a central registration authority.  
"We should earnestly consider how to introduce to our farmers the new knowledge that agricultural science has made available," he added. "If we earnestly follow that policy the less hard it will go with us as a nation when in 1952, or possibly a little later, the highly artificial and somewhat inglorious receipt of aid from abroad comes to an end."

## First Aid At Conrad Street

A successful start in the Conrad Street Parent-Teacher Association St. John Ambulance first aid classes was made last night when 17 members turned out. Although the classes are sponsored by the P.T.A., others interested are welcome, it was explained. R. E. Eysolfson will be instructor at the regular Monday evening meetings.

The year's best picture is a bowlful of Grape-Nuts Flakes . . . they taste entirely different because they're Sugarcoated!

## CITY COUNCIL

(Continued from page 4)

vestigation and report back to the next meeting.

Instructed the city clerk to reply to a letter from the Department of Transport regarding lease and insurance of the Aero Club property advising that the committee had met with the representative of the department but had no authority to act in the matter and that the department would be notified of the results of a meeting with the executive of the club after such meeting had taken place.

Thanked Ald. Black for a letter from Northern B.C. Power Co. giving information on the flow of water from Woodworth Lake and storage capacities and referred it to the Board of Works for consideration while discussing the matter.

Acting Mayor H. F. Glassey was in the chair during the absence of Mayor George Rudderham, who was absent at convention. Also absent for the same reason were Aldermen George Casey and Douglas Frizell and City Clerk H. D. Thain.

## NEW QUICK-MIX RECIPE

## MOLASSES ALL-BRAN MUFFINS

No creaming, no egg-beating—one easy mixing this Kellogg's quick way!

1 cup Kellogg's All-Bran 1/2 teaspoon salt  
1/2 cup milk 1 egg  
1 cup sifted flour 2 tablespoons soft shortening  
1 teaspoon baking powder 1/2 cup seedless raisins (or chopped dates)  
1/2 teaspoon baking soda

1. Combine All-Bran and milk in mixing bowl.  
2. Sift together flour, baking powder, soda and salt into same bowl. Add molasses, egg, shortening, raisins or chopped dates. Stir only until combined.  
3. Fill greased muffin pans 3/4 full, or for pan bread spread in greased 8" x 8" pan. Bake in pre-heated moderately hot oven (400°F.) 20 to 25 minutes. (Slightly longer for pan bread.) Makes 12 medium muffins, or 9 squares of bread.
