AYLMER, Ont.—Telephone operators here will no longer give information to subscribers who ask the whereabouts of fires. The reason is that, following the blowing of the siren, about 90 percent of the telephone switch-board lights up and it takes operators from ten to twenty minutes to clear the board.

A. D. Vance returned to his city by air yesterday from a business trip to Vancouver.

ALTERNATIVE VOTING WILL BE USED IN THE COMING PROVINCIAL ELECTION

HERE'S WHY THE NEW SYSTEM IS BEING USED

The Voting system has been changed to enable every voter to cast his ballot for more than one candidate in order of his preference.

When you vote under the Alternative Vote system YOU GET MORE THAN ONE CHOICE. This will prevent any candidate being elected on a minority vote as has happened in the past. The candidate so elected in each riding will have received an absolute majority over all other candidates combined.

IT'S FAIR!

HERE'S HOW YOU VOTE WITH ALTERNATIVE VOTING

The Alternative Vote is as simple as the voting system used before only, instead of marking an X against your one choice only, you can mark 1-2-3-4 with your first choice as number one, your second choice as number two and so forth in order of your preference.

IT'S EASY!

Further messages will appear in your daily and weekly newspapers explaining the Alternative Vote. Watch for them.

Fred H. Hurley... Chief Electoral Officer

PROVINCE OF BRITISH COLUMBIA
